17TH IDP AUSTRALIAN INTERNATIONAL EDUCATION CONFERENCE

*securing the FUTURE for International Education:
Managing growth and Diversity*

The Challenges Capacity to Deliver

Resource limitations and constraints

- Course development and customization
- Course delivery
- Student management

On-Shore

On campus

Off campus

Staffing

- Cultural issues
- Academic assistance and support
- Work loads

Off-Shore

- Facilities
- Choice of partner
- Staffing in country
- Necessary controls

Some Solutions and Initiatives

On-Shore

- 2 + 2 twinning
- Study abroad
- New campus initiatives

Off-Shore

- Partnering for multiple delivery
- ‘Options’ for students from difficult visa countries
- Interactions with off-shore students as individuals
